## From the Senior Center Supervisor

**H**ello 2011!

We hope that this will be our best year yet!

Our November Silent Auction and See's Candies Fundraiser were highly successful! Our center raised over \$2,000 and that's no small accomplishment!

We will be offering a variety of trips, for example, Palace Station Casino in Las Vegas, the Reagan Library and the Getty Villa in Malibu among others.

Get your body in shape by

joining our fitness and dance classes, as well as our monthly Healthy Living Seminars.

We all have interesting life experiences. Our new "Life Story Writing" Class will provide you with easy strategies for sharing your unique stories and being inspired by those of others.

Fill your heart with **new** hopes, reach out for **new** opportunities and celebrate this **New Year!**

**THANK YOU!**

The **Senior Center** wants to extend appreciation to the **Yarn Spinners** for their hard work all year. Their generous charitable contributions to the following organizations include: **Operation Beanies** for service members, **Walking Shield, Inc.**, which serves needy American Indian families, and "**Preemie Baby**" items sent to **Saint Mary's Hospital** in **Long Beach**.

The handwork done by the **Crafter's Group** is also invaluable to our center. This dedicated group of women makes many of the items that go into our "**Lovely Treasures**" **Craft Closet**. They also hold an annual week-long Christmas Boutique yearly; all proceeds benefit the Senior Center.

### CA Telephone Access Program

Wednesday, January 12th

10:00 a.m. in the Dining Room

The California Telephone Access Program (CTAP) distributes telecommunications equipment and services to individuals certified as having difficulty using the telephone. CTAP is a California State mandated program, under governance of the California Public Utilities Commission (CPUC). Equipment and some network services are available at no charge to eligible consumers.

Californians who are deaf, hard of hearing, speech-disabled, cognitively-disabled, blind, or who have low vision, or restricted mobility, are eligible to receive equipment with certification by a medical doctor, a licensed audiologist, a qualified state agency, or a hearing aid dispenser.

CTAP is funded by a small surcharge that appears on all telephone bills in California. The money collected from this surcharge pays for both the California Telephone Access Program (CTAP) and the California Relay Service (CRS). This surcharge appears on your phone bill as "CA Relay Service and Communications Devices Fund."
